Public Notices:

1. The Oshakati Town Council would like to remind all business owners in Oshakati to come and renew their fitness certificates before end of March 2019.
   Also would like to inform all new business owners to be register their businesses in order for them to trade legally in town. Both late renewal and trading without the certificate of fitness results in getting a fine.

2. The Oshakati Town Council is hereby requesting livestock owners from nearby villages, to please take good care of their animals (cattles, goats, sheep and donkeys) so that they stay out of town. Failure to do so will lead to animals being impounded at the municipal pound.

3. Residents are also encouraged to please keep their dogs within their yard and never outside, to avoid cases of dog bites, thus Rabies.

4. Oshakati Town Council is requesting assistance from the public to report any cutting down of trees taking place within the town boundaries. Trees are part of life and therefore need to be preserved.

5. Residents are also encouraged to report illegal dumping of waste and sewer in public places. Sewage should be discharged at the sewage designated ponds and waste at the designated disposal site. No charges involved.

6. All residents are encouraged to acquire dustbins, which are available at Town Council either by means of cash payments or monthly instalments. This will help keep Oshakati clean.

Contact number of Oshakati Town Council 065-229500.
