1. **Noise Pollution in Oshakati**

The Oshakati Town Council have noticed with great concern of the noise pollution in and around Oshakati, especially in informal settlements of Oshakati such as Okandjengedi, Oshoopala, Upindi, Evululuko, Oneshila and other areas of Oshakati, particularly the noise coming from juke boxes in bars. The Oshakati Town Council hereby notify all bar owners to refrain from causing noise pollution in the community. Those who will be caught not adhering, will be dealt accordingly.

2. **Renewal of Businesses Fitness Certificates**

The Oshakati Town Council would like to remind all business owners in Oshakati to come and renew their fitness certificates before end of March 2019. Late renewal will result in getting a fine.

3. **Impounding of Livestock**

The Oshakati Town Council is hereby requesting livestock owners from nearby villages to kindly keep their livestock out of town, any livestock that will be found in town areas will be impounded and will be fined.

4. **Illegal Sand Mining in Oshakati**

Oshakati Town Council is requesting assistance from the public to report any excavation or sand mining taking place within the town boundaries, especially at Ompunbu, Ekuku Oneshila and any other places within the boundaries of Oshakati.

5. **Road Works on MR120**

The Oshakati Town Council would like to inform its residents and road users that there are currently road works along the MR120 road that passes from Game Complex to Okatana. Road users are urged to adhere to the temporary road signs and drive responsibly.

Yours Sincerely,

W. Iita
